

REMARKS

In the Final Office Action mailed on July 16, 2007, the Examiner rejected claims 5-6 and 8 under 35 U.S.C. 102(b) as being anticipated by U.S. Patent No. 4,578,812 to Yui; rejected claims 7 and 9-12 under 35 U.S.C. 103(a) as being unpatentable over Yui; allowed claims 1-4 and objected to claims 13-17.

Applicant thanks the Examiner for the indication of allowable subject matter.

In response, Applicant has amended claims 5 and 14 and cancelled claim 13. No new matter has been added.

Applicant has copied the limitations of claim 13 into claim 5 and changed the dependency of claim 14 from claim 13 to claim 5. Applicant asserts that claim 5, and its dependents 6-12 and 14-17, are now in condition for allowance.

Claims not specifically mentioned above are allowable due to their dependency on an allowable base claim.

CONCLUSION

No fees beyond the fees for the Petition for the Three (3) Month Extension of Time are due for this response. However, the Office is authorized to charge any additional fees or underpayments of fees (including fees for petitions for extensions of time) under 37 C.F.R. 1.16 and 1.17 to account number 502117. Any overpayments should be credited to the same account.

Applicant respectfully requests reconsideration of the present application, withdrawal of the rejection made in the last Office Action and the issuance of a Notice of Allowance. The Applicant's representative can be reached at the below telephone number if the Examiner has any questions.

Respectfully submitted,

Anthony Cucinotta
